WELCOME TO THE Guinness Open Gate Brewery

AN EPIC SITE FOR EVENTS AND MEETINGS.

There are two places in the world where you can enjoy a Guinness beer on the same site where it was brewed. One is Dublin. And the other is here in Baltimore. If you want an event that is unforgettable, Instagrammable and serves beer, look no further.

Located just off U.S. Route 1, six miles from downtown and 10 minutes from the airport, our site includes a taproom, restaurant, experimental brewery, a barrel house, a 100-hectoliter production brewery, 10-barrel experimental brewery, outdoor beer garden and multiple event spaces.

This Site Was Historic Before We Even Arrived.

Our brewery is part of a 62-acre parcel that originated as the first Maryland distillery to begin operating after the repeal of prohibition. Our building was built in 1935 as one of four massive whiskey-aging rickhouses.
